Activity Log: Report provided to Engineers

- January – June 2022
  - 882 incidents. 58 less than the same period last year.
- July 2022 to date:
  - 134 incidents through 7/17. Projected to have 244 for the month. That would be a record high number for the month of July. I would expect to have around 200 total.
