PISTOL LICENSE APPLICANT

In accordance with RSA 159:6, *License to Carry*, pistol permits must be approved or denied within fourteen (14) days after application. Applications are reviewed as soon as possible; however, due to unforeseen circumstances, may take the entire 14 day period so please plan accordingly, especially with regard to pistol permit renewals.

If pistol permits are denied, applicants will be advised in writing as to the reason(s) for denial.

If pistol permits are approved, applicants may pick them up at the Police Department's Communications Center, following the fourteen (14) day approval period, after paying the state mandated \$10.00 resident fee. Telephone calls will not be made to applicants whose permits are approved.

Non-residents are required to contact New Hampshire State Police for pistol permits.

Respectfully,

A.J. Bean Burpee

Anthony J. Bean Burpee
Chief of Police
