I authorize the Gilford Police Department (GPD) to completely check my property and residence in my absence and to enter said residence should a burglary or other serious issues arise while I am away. Although GPD will make every effort to check my property and residence I understand they cannot guarantee how often it gets checked, particularly should I be gone for only a short period of time.

I understand that during winter months no physical check(s) will be conducted if driveway is not plowed, and that should any issues arise on my property or at my residence that neither GPD nor the Town of Gilford will be held liable.

Upon my arrival home, I will immediately notify GPD in person or via telephone at 527-4737 in order to discontinue property and/or residence checks. **If no "Return Date" is listed above, this request form will expire six months from the below listed date.**
